

The Interfaith Coalition on Energy of WNY  
A program of the Network of Religious Communities  
presents:

## Basic Energy Cost Control for Religious Institutions II

Join us for a walk through energy survey at  
**Kenmore United Methodist Church,**  
**32 Landers Road in Kenmore**

**Wednesday, June 5, 2002**

Registration at 8:45 a.m. with coffee and donuts, program begins at 9:00 and concludes around noon with a light lunch and open discussion time.

This hands-on program will show how to identify site-specific energy cost control opportunities, calculate estimated savings and develop a long term energy cost control plan. Our host will share some of his unique solutions with us.

Directions: Landers Rd. goes east off of Delaware Avenue between Sheridan Dr. and Kenmore Ave. Delaware Ave. may be accessed from the north by Rt. 290 or from the south by the Scajaquada Expressway. Limited parking is available in the church lot on Landers. On street parking is available on Chapel St., Landers Rd. and Delaware Rd.

To register, return the form below by May 29 with a \$10 per person registration fee to:
