

**4th Annual
Faith & Hunger Conference
“Healing a Hurting World”**

Sponsored by:

Food For All Public Policy Committee
Bread For the World
Hunger Action Network of New York State

“It’s hard for us to imagine the plight of the 1.2 billion people on earth who live on less than \$1 a day. These people are just as worthy in God’s eyes as we are, and yet we hardly know they exist. I see these people in poor countries working to better their lives, and eager to correct their own problems.”

—Former U.S. President Jimmy Carter
2002 Nobel Peace Prize Recipient

Please plan to attend the 4th Annual Faith & Hunger Conference: “Healing a Hurting World.”

Find out about Bread For the World’s annual campaign, “Rise To the Challenge: End World Hunger” and learn how to conduct an Offering of Letters in your congregation. Resources will be provided.

Learn how New York State plans to address its \$12-\$15 billion budget deficit. Who will be hurt? Who will be helped? What can you do?

Attend skills workshops designed to help you and your congregation:

- Learn about the impact of difficult times on our young children.
- Find out how to approach your congregation about the ministry of advocacy.

Spiritual reflection will be an important part of the day’s agenda.

Please join us!
2003 will be a difficult year.
Together we CAN make a difference!
